

Pupil Premium Impact Report 2013-15

This report demonstrates the achievement of Free School Meal Students between 2013 and 2015. The attainment table shows the proportion of students who achieved level 5 or more in English and Maths by the end of Year 9. The progress table shows the points of progress made by students during Key Stage 3.

We predict that by 2016 our pupil premium gap will narrow in English to 27% and in Maths to 19% as a result of our work with Key Stage 4 students.

At Key Stage three in English we have narrowed the gap to 1.3 points behind non-FSM students. The gap was narrowed from 25% to 20% and the progress gap was halved from 2.2 points to 1.3 points in 2014.

In Maths the 2014 results showed that the gap had widened in terms of attainment and progress. Since then we have evaluated the strategies used during the last three academic years and developed our provision for Pupil Premium students for 2014-2015. Our action plan, including how much money will be spent and the intended impact can be found on the school website under 'School Information' and 'Pupil Premium'.

Our Key Stage 3 results for 2015 suggest we have significantly narrowed the gap in English and Maths by the end of the Key Stage.

Levels of Progress by the end of Key Stage 4

GCSE Results	Three Levels of Progress English	Three levels of Progress Maths
2015 Results		
Pupil Premium Students	53%	40%
Non Pupil Premium Students	82%	87%
Gap	29%	47%
2016 Predictions		
Pupil Premium Students	64%	70%
Non Pupil Premium Students	91%	89%
Gap	27%	19%

Key Stage 3 Results	Level 5+ English	Level 5+ Maths
2013		
Free School Meal Students	65%	77%
Non Free School Meal Students	90%	93%
Gap	25%	16%
2014		
Free School Meal Students	71%	57%
Non Free School Meal Students	91%	87%
Gap	20%	30%
2015		
Free School Meal Students	77%	90%
Non Free School	99%	97%
Gap	19%	7%

Attainment Table
