GCSE Mathematics Revision books

Dear Parent/Carer

To help support your child's learning in the Maths GCSE (9-1) Curriculum, I am writing to inform you of the appropriate revision guides which are available. I have selected the Pearson Edexcel Maths revision guide as the preferred guide, but other suitable guides are available.

REVISE Edexcel GCSE (9-1) Mathematics Revision Guide (with online edition) £2.49
Revise Edexcel GCSE (9-1) Mathematics Revision Workbook £2.49

I would highly recommend that if your child does not already have a revision guide that they purchase one and start using it as soon as possible.

If you would like to order one of these revision guides and/or workbooks, payment can be made via your Parent Pay account. The closing date to obtain these will be **31 January 2018**. After this date the books will not be available from school. Books that have been purchased will not be distributed until after **31 January 2018**.

If your child is eligible for Pupil Premium funding, the books will be offered at no cost. Please ask your child to speak to their maths teacher to request a set of books.

Yours faithfully

Austin Foote
Head of Maths Faculty
