1 February 2018

Dear Parent/Carer

In Science, our next topic is reproduction. Shortly, we will begin teaching about sexual reproduction in humans. This is part of the National Curriculum and deals with reproduction from a scientific perspective. All our Science teachers are trained in the best way to teach this and do so in a sensitive way.

If you would like to discuss this or see a copy of the scheme of work, please do not hesitate to contact me.

Yours faithfully

Megan Holt
Second in Faculty: Science
