General information - Delegation

Under the Articles of Association of Woodbrook Vale School, the governors may delegate to any governor, committee, the Headteacher or any other holder of an executive office such of their powers or functions as they consider desirable to be exercised by them. Any such delegation may be made subject to any conditions the governors may impose and may be revoked or altered.

Where any power or function of the governors has been exercised by any committee, that person or committee shall report to the governors in respect of any action taken or decision made with respect to the exercise of that power or function at the meeting of the governors immediately following the taking of the action or the making of the decision.

The governors may establish any committee to exercise powers and functions of the governors. The constitution, membership and proceedings of any committee of the governors shall be determined by the governors. The establishment, terms of reference, constitution and membership of any committee of the governors shall be reviewed at least once in every twelve months. The membership of any committee of the governors may include persons who are not governors, provided that a majority of members of any such committee shall be governors. No vote on any matter shall be taken at a meeting of a committee of the governors unless the meeting is quorate.

The Governing Board is responsible for ensuring that high standards of corporate governance are maintained.

The Governing Board has three core functions:

- 1. Ensuring clarity of vision, ethos and strategic direction;**
- 2. Holding the Headteacher to account for the educational performance of the school and its students, and the performance management of staff; and**
- 3. Overseeing the financial performance of the school and making sure its money is well spent.**

In this context it should exercise its powers and functions with a view to fulfilling a largely strategic leadership role in the running of the Academy, addressing such matters as:

- policy development and strategic planning, including target-setting to keep up momentum on school improvement;
- ensuring sound management and administration of the Academy, and ensuring that managers are equipped with relevant skills and guidance;
- ensuring compliance with legal requirements;
- establishing and maintaining a transparent system of prudent and effective internal controls.
- management of the Academy's financial, human and other resources;
- monitoring performance and the achievement of objectives, and ensuring that plans for improvement are acted upon;
- helping the Academy be responsive to the needs of parents and the community and making it more accountable through consultation and reporting;
- setting the Academy's standards of conduct and values;
- assessing and managing risk.

General Information - Scheme of Delegation

The Governing Board should agree a formal schedule of matters reserved for their decision, i.e. those which should not be delegated within the Academy. These are listed below. Beyond this, the Governing Board should consider establishing separate committees to deal with specific areas of Academy business and should determine the delegated responsibilities to be assigned to those committees, to ensure that matters can be dealt with in appropriate detail and with sufficient frequency. However, as a minimum, it is a requirement that all academies establish a finance committee separate from the Governing Board to deal with financial matters.

Where the Governing Board decides to delegate certain matters for consideration by committees, each committee should be chaired by a governor. The membership of the committee may include persons who are not governors provided that a majority of the members are governors. The Governing Board should ensure that it receives adequate feedback on the work of those committees and is able to consider their decisions formally. The establishment of committees does not absolve the Governing Board of its overall responsibility to manage the finances of the Academy.

Woodbrook Vale School - Structure, Governance and Management

Constitution

The Academy Trust is a company limited by guarantee (registration number 7671486) and an exempt charity. The charitable company's memorandum and Articles of Association are the primary governing documents of the Academy Trust. (A full copy can be found on the school website under "Funding and accounts")

The trustees and governors for the charitable activities of Woodbrook Vale School are also the directors of the Charitable Company for the purposes of company law. The Charitable Company is known as Woodbrook Vale School.

Members' Liability

Each member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a member, or within one period after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees and Governors Indemnities

Trustees and governors may benefit from any indemnity insurance purchased at the Academy Trust's expense to cover the liability of the trustees and governors which by virtue of any rule of law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the Academy Trust. Provided that any such insurance shall not extend to any claim arising from any act or omission which the trustees and governors knew to be a breach of trust or breach of duty or which was committed by the trustees and governors, in reckless disregard to whether it was a breach of trust or breach of duty or not and provided also that any such insurance shall not extend to the costs of any unsuccessful defence to a criminal prosecution brought against the trustees and governors in their capacity as directors of the Academy Trust.

Method of Recruitment and Appointment or Election of Trustees and Governors

The trustees shall not be less than three but (unless otherwise determined by original resolution) shall not be subject to any maximum.

Subject to Articles 48-49 and 64, the Academy Trust shall have the following composition:

- a) Up to eight governors (including the members), appointed under Article 50.
- b) Up to three Staff Governors, appointed under Article 50a;
- c) Three Parent Governors appointed under Articles 53-58;
- d) The Headteacher;

- f) Any additional/further governors. If appointed under Article 62 62A 63 or 68A.

The Academy Trust may also have any Co-opted Governors appointed under Article 59.

Woodbrook Vale School governors are all directors of the company. The term of office for each governor shall be 4 years, save that this time limit shall not apply to the Headteacher.

Five Trust Members form the Woodbrook Vale School Trust. The Trust meets at least once a year to receive the financial accounts.

Election Process for the Chair and Vice-Chair of Governors, Curriculum & Pupils Committee and Staff, Finance & Buildings Committee

Woodbrook Vale has adopted the suggested NGA approach to election of Chairs. We believe it is good practice to seek written nominations in advance of the meeting. This ensures that every member of the Governing Board is fully aware of the impending election and has an equal chance to stand.

Those standing should all be given the opportunity to submit a statement in support of their candidacy, but also to speak about their candidacy at the meeting so that the other governors can make an informed decision.

1. The Governing Board, C&P Committee and SF&B Committee will each elect a Chair and Vice-Chair from its number when either the Chair/Vice-Chair's term of office has ended or s/he has resigned the position.
2. The Academy's Articles of Association state that the term of office for the Chair and Vice-Chair of Governors will be 1 year. The term of office for the Chairs and Vice-Chairs of the C&P Committee and the SF&B Committee will be 1 year.
3. The Clerk to the Governors shall give governors at least three weeks' notice prior to the meeting requesting written nominations. These should be submitted to the Clerk at least one week before the election. Candidates may submit up to 250 words in support of their nomination. Nominations on the day will only be accepted where no written nominations have been received prior to the meeting. Governors who are employed at the school as a teacher or as another member of the school's staff cannot stand for election. Governors may self-nominate, but if nominating another governor, they should seek their approval prior to submitting the nomination.
4. The Clerk will act as chair during the election of the Chair of Governors and will ensure the meeting is quorate. Each nominated governor will be invited to speak to the Governing Board setting out her/his reasons for standing. Candidates will be limited to three minutes. All candidates must leave the room while a discussion and vote takes place. This will be the case even if there is a single nomination.
5. A vote by secret ballot will be held, unless there is only one nomination when voting for each role shall be decided on a show of hands.
6. The Clerk will count the votes and announce who has been elected as Chair of Governors. The successful candidate will be invited to take the chair and will oversee the election of the Vice-Chair of Governors and the Chairs and Vice-Chairs of the C&P Committee and the SF&B Committee.

7. In the event of a tie, the Governing Board will re-run the ballot. If it remains a tie, the tied candidates will draw lots.
8. The governors may reject all nominees for the Chair of Governors if they choose. If no candidate has the support of the majority of the Governing Board, another candidate will be sought from the floor. If this candidate does not receive majority support, the Vice-Chair will take on the role of acting Chair until the next full Governing Board meeting, at which the election procedure will be repeated.
