

Woodbrook Vale School
Mathematics

Year:	10
Tier:	Foundation

Topic	Revised?
Rounding	
Fraction, decimal percentage conversions	
Simple probability	
Factors and multiples	
Time problems	
Reading scales	
Function machines	
Money problems	
Percentages	
Collecting like terms	
Solving equations	
Equivalent Fractions	
Angles (straight lines, around a point, triangle, quadrilateral)	
Speed, distance and time	
Conversion between units	
Angles in parallel lines	
Quadratic graphs	
Area of circles and semi-circles	
Ratio problems	
Trigonometry (SOHCAHTOA)	

**Spring
Assessment**
