Word of the Week

'Timid'
(If you are timid, you do not have confidence, and are easily scared.)
Can you use the Word of the Week in a sentence?

English Schools' Athletics Championships

We are delighted to be congratulating Jamie Carrott in Year 10 for his tremendous grit and determination in competing at the English Schools Athletics Championships. Jamie ran a time of 23.72 on the day in the 200m and since then has recorded one of the fastest times in the UK over 300m for a 14 year old. We are immensely proud of Jamie and will continue to support him in his ambitions. We look forward to turning on the television in 5 years' time and watching him compete in the Olympic Games. We shall say, "He went to Woodbrook Vale!"

Healthy Teenagers

We have a range of support structures in place to support

children who may be experiencing health issues either physical or emotional including low mood. The following are useful websites that can be accessed by all students:

www.healthforteens.co.uk

www.leicestersexualhealth.nhs.uk

In addition, students should be encouraged to talk to staff, particularly their form tutor, Head of Year or a member of staff in the Student Support Office.

We can refer to the School Nurse (although we have been recently informed that this is a more limited service) or the RELATE counsellor who is available one day a week at school. School assemblies and personal development lessons are also used to support young people. We understand that young people are often reluctant to talk to an adult. If you are concerned about your child, please contact school for advice and further information or click [here](#) to visit the school website.

Year 10 Travel and Tourism Farm Visit

All Year 10 Travel and Tourism students have visited Stonehurst Family Farm to meet the owner and prepare themselves for their first BTEC assignment. After spending half an hour exploring the farm and all its attractions, the group had a question and answer session with the owner, Tom Duffin. Tom gave a good insight into what is required to create a popular local tourist attraction. He made the purpose and aims for the farm extremely clear and also explained how the farm works with a variety of partners to achieve its aims.
