TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2019

The Trustees present their annual report together with the financial statements and auditor's report of the charitable company for the 1 September 2018 to 31 August 2019. The Annual report serves the purposes of both a Trustees' report, and a Directors' report under company law.

The Trust operates an Academy for pupils aged 11 to 16 serving a catchment area in Loughborough. It had 786 students on the October 2017 School Census.

Structure, governance and management

a. Constitution

The Academy Trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the Academy trust. The Trustees of Woodbrook Vale School are also the directors of the Charitable Company for the purposes of company law. The Charitable Company is known as Woodbrook Vale School.

On the 20 June 2019 the Company passed a special resolution adopting the new set of Articles of Association approved by the Department for Education

Details of the Trustees who served during the period are included in the Reference and Administrative Details on page 1.

b. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

c. Related Parties and Other Connected Charities and Organisations

Woodbrook Vale School is a single Academy, financially independent and does not work in federation with any other organisation. However, Woodbrook Vale School does work collaboratively with other local schools, universities, colleges and businesses to help raise achievement and gain best value.

d. Trustees' indemnities

Trustees and Governors may benefit from any indemnity insurance purchased at the Academy trust's expense to cover the liability of the Trustees which by virtue of any rule of law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the Academy Trust. Provided that any such insurance shall not extend to any claim arising from any act or omission which the Trustees knew to be a breach of trust or breach of duty or which was committed by the Trustees, in reckless disregard to whether it was a breach of trust or breach of duty or not and provided also that any such insurance shall not extend to the costs of any unsuccessful defence to a criminal prosecution brought against the Trustees in their capacity as directors of the Academy Trust.

Structure, governance and management (continued)

e. Method of recruitment and appointment or election of Trustees

The Trustees shall not be less than three but (unless otherwise determined by original resolution) shall not be subject to any maximum.

Subject to Articles 48-49 and 53, the Academy Trust shall have the following Trustees:

- a) up to 8 Trustees, appointed under Article 50; and
 - b) a minimum of 2 Parent Trustees elected or appointed under Articles 53-56Bc
- The Academy trust may also have any Co opted Governors appointed under Article 58.

The term of office for any Trustee shall be 4 years. Subject to remaining eligible any Trustee may be reappointed or re elected. No time constraints apply to the Head Teacher.

At the first Full Governing Body (FGB) meeting each year the Trustees elect a chairperson, vice-chairperson and members of the two other committees being Curriculum & Pupils Committee (C&P) and Staff, Finance and Buildings Committee (SF&B).

f. Policies and procedures adopted for the induction and training of Trustees

The training and induction provided for each new Trustee and Governor will depend on their existing experience. The Academy Trust purchases support from the Governor Development Service (GDS) provided by Leicestershire County Council in the form of a Service Level Agreement (SLA). The SLA provides individual and FGB training through an annual course directory which is reviewed each year to reflect any changes in practice and legislation. Trustees and Governors receive a copy of the termly magazine 'School Governor'. Also included within the SLA is membership of the National Governors Association.

Structure, governance and management (continued)

g. Pay Policy for Key Management Personnel

The Academy Trust Recognises its responsibility to:

- Adopt a Pay Policy to provide a clear framework for the management of pay and grading issues for all staff employed in the school.
- Take decisions in accordance with key principles of public life (Nolan), including objectivity, openness and accountability.
- Ensure fair and transparent policy to determine the pay and grading for all staff employed in the school, which takes account of the conditions of service under which staff are employed.
- Comply with relevant legislation including the Equality Act 2010, the Employment Relations Act 1999, the Part-time Workers (Prevention of Less Favourable Treatment) Regulations 2000, the Fixed Term

Employees (Prevention of Less Favourable Treatment) Regulations 2002, and will ensure that all pay related decisions are taken equitably and fairly in compliance with statutory requirements.

- Adopt a whole school approach to pay issues. Pay decisions will take account of the resources available to the school. The school staffing structure will support the school improvement plan. The Governing Body will exercise its discretionary powers using fair, transparent and objective criteria in order to secure a consistent approach in school pay decisions.
- Ensure that all pay progression decisions for all teaching staff are linked to annual appraisal of performance and to ensure that this is achieved in a fair equitable and transparent way following consultation with staff and recognised trade unions.
- Ensure that every teacher's salary (including the salary of the Headteacher) is reviewed on an annual basis with effect from 1 September. The review will be completed no later than 31 October each academic year.

h. Trade Union Facility Time

Woodbrook Vale has no members of staff who receive paid Trade Union Facility time.

FOR THE YEAR ENDED 31 AUGUST 2019

Structure, governance and management (continued)

i. Organisational Structure

The Academy Trust management structure consists of the Trustees, the Governors, the Senior Leadership Team, the Heads of Year and the Heads of Faculty. The aim of the management structure is to devolve responsibility and encourage decision making at all levels.

The Board of Trustees continue to delegate powers down to the three committees made up of Trustees and Governors, who are responsible for the strategic development of the Academy. FGB is responsible for, amongst other things, adopting an annual School Improvement Plan and approving an annual budget. SF&B committee regularly monitors the Academy budget and receives management information in respect of income and expenditure for both revenue and capital projects. C&P monitors and reviews teaching, learning and pastoral matters across the school.

The Senior Leadership Team (SLT) comprises of the Headteacher, two Deputy Headteachers, two Assistant Headteachers and the School Business Manager. The SLT manage the Academy at an executive level implementing the policies laid down by the Trustees and Governors and report upon them.

There are 5 Heads of Year, 1 for each year intake. Heads of Year are responsible for pupil progress and pupil welfare on a day to day basis.

Heads of Faculty are responsible for the day to day operation of curriculum subject areas and organisation of their teaching staff, capitation resources, facilities and students.

All staff within the management structure receive delegated budgets and are responsible for the authorisation of spending within the agreed levels.

Objectives and activities

a. Objects and aims

Woodbrook Vale School is a place where each student is given the best education in a safe and caring environment, where every child is encouraged to succeed in his or her own way; where the curriculum is exciting and challenging; and where each student can learn in a personalised and innovative manner.

School Vision, Aims and Mission:

Our school motto of "Aspire Enjoy Succeed" encapsulates the ethos of the school and is the cornerstone of everything we do. Our school is a learning community for students of all ability.

We want all our students to be:

- Motivated and enthused by the challenge of learning
- Aspirational and determined to fulfil their individual potential
- Inspired to enjoy and succeed in all aspects of learning.
- Proud of their own achievements and to value, respect and celebrate the success of others.
- Positive contributors to whole school life and within the local community
- Resilient, life long learners who are well prepared for their post 16 destination and for life in the modern world.
- Mature young people with high self esteem
- Accountable citizens who are responsible, respectful and tolerant within a diverse and evolving society

Our vision is that Woodbrook Vale School will provide each student with an outstanding education in a caring, calm, safe and supportive environment. Learning will be engaging, challenging and inspiring so that each student will achieve individual excellence and be the best that they can be.

To achieve this we will:

- Provide a caring, safe and stimulating learning environment
- Focus on inspiring, creative and effective teaching and learning across a broad and balanced curriculum
- Create personalised and inclusive opportunities that motivate and recognise the potential of each individual
- Have the highest expectations of all staff and provide a supportive environment that will enable them to develop professionally and be valued as one collective staff team
- Develop leadership skills by ensuring that leaders at all levels act as positive role models and lead by example
- Provide enrichment through extra curricular activities
- Promote equal opportunity in all aspects of school life
- Work in partnership to develop effective communication and collaboration between students, parents/carers, staff, governors and the local community, including primary school and post 16 transition
- Invest in social, moral, spiritual and cultural development of every student
- Deliver effective guidance to prepare students to make appropriate choices in our rapidly changing world
- Ensure that financial resources are used effectively to benefit our current students

Woodbrook Vale School is for a whole range of students. We are, and want to be, a truly comprehensive school that values all people equally but meets their needs individually. We aim to:

- Promote collaboration and teamwork between all members of the school community and beyond including students, parents, staff, Trustees and Governors, and external partners.
- Care for each student's personal, moral and spiritual development;
- Develop in each pupil the skills and motivation to take part in lifetime learning and to be active citizens in our rapidly changing society;
- Provide a supportive, disciplined and stimulating environment.

Objectives and activities (continued)

b. Objectives, strategies and activities

The Academy has a continuous programme of self evaluation and this is summarised in the Academy Self Evaluation Form (SEF). Individual faculties are also involved in a rolling cycle of self evaluation. Action points arising from the evaluation are then developed in the School Improvement Plan. Key priorities are identified for the whole school annually and these are incorporated into individual faculty plans.

Key priorities were agreed as:

1. Ensuring high achievement (progress and attainment), including the closing of achievement gaps;
2. Developing outstanding teaching and learning across the school by providing aspiration and challenge for all students;
3. Developing outstanding practice through effective networking and collaboration

c. Public benefit

The Trustees and Governors have complied with the duty in Section 4 of the Charities Act 2006, to have due regard to public benefit guidance published by the Charity Commission in exercising their powers or duties. In particular, the Trustees and Governors consider how planned activities will contribute to the aims and objectives they have set. The Academy has provided a fully comprehensive education to all pupils in its care. It fully complies with all statutory guidance and seeks to support its wider educational objectives via a strong community role. The Trust's premises are used on a regular basis by Leicestershire Police Cadets, Loughborough Foxes Ladies FC, Premier Soccer Coaching, Stagecoach, Charnwood Drawing and Painting Club and Zumba Fitness.

Strategic report

Achievements and performance

a. Achievements and Performance

Woodbrook Vale School has a consistently strong record of GCSE results and is classified by the DfE as an "above average" school.

Achievement (in terms of progress and attainment) is high, exceeding national averages across all key performance indicators. The school's Progress 8 score is significantly positive at +0.47, making Woodbrook Vale one of the highest performing secondary schools in Leicestershire and nationally. The school's 2019 Attainment 8 score was 52.9, 68% of students achieved a 4 or above grade in English and maths; 59% of students achieved a "strong" pass (5 or above) in both subjects.

Achievement across most subjects was strong, including Mathematics, English Language and English Literature. Predictions indicate that achievement will be continue to be above national average across a range of key performance measures in 2019.

b. Going concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern can be found in the Statement of Accounting Policies.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2019

Strategic report (continued)

Financial review

a. Reserves policy

It is intended that the Trustees and Governors will continue to regularly monitor the reserve levels of the Academy as part of the monthly budget monitoring process. This review encompasses the nature of income and expenditure streams, and identifies the need to match income with existing commitments. The Academy continues to use its surplus balances by investing in the infrastructure of the school site. At the end of 2018/19 restricted reserves of £141k (2018: £123k) (excluding the pension reserve) and unrestricted of £402k (2018: £378k) were held by the Academy.

b. Investment policy

Trustees and Governors have adopted an Investment Policy which is included in the Finance Policy. It allows for surplus funds to be invested in low risk short term bonds with high street banks.

c. Principal risks and uncertainties

The Trustees and Governors have responsibility to assess the major risks to which the Academy is exposed. The FGB has approved a risk register to formally identify the risks, financial and otherwise, to which the Academy is exposed. An effective system of internal controls is in place to minimise these risks. Where significant financial risk remains, adequate insurance cover is in place. A systematic analysis of all other risks that could affect the Academy's ability to perform its strategic obligations is now underway and will feed in to Business Continuity planning.

The Academy manages its risks appropriately. We consider that risks such as the uncertainty over the Teachers Pension contribution rate increase, LGPS deficit and future changes to GAG funding due to the introduction of a national funding formula will feature in the financial risk register as the main areas of concern.

The Academy Trust has undertaken a financial risk assessment based on potential key risks identified as:

- Not operating within its budget and running a deficit
- Changes in funding
- Inappropriate or insufficient financial controls and systems
- Fraudulent activity
- Financial commitments made without adequate authorisation

The key controls used by the Academy to reduce risk include:

- Detailed terms of reference for all committees
- Formal agendas for the Academy board and committees
- Formal agreement of Annual Budget
- Schemes of delegation and formal financial regulations
- Formal written policies
- Clear authorisation and approval levels
- Budget Monitoring and Cashflow forecasting

We are aware that the uncertainty currently surrounding Brexit could potentially impact our operations, service users and suppliers. We are reviewing and monitoring the impact of this on an ongoing basis.

Fundraising

The school undertakes fund raising events for such charities as Children in Need, WE Charity and Matt Hampson Foundation. The school collects and banks all donations. The school does not use any commercial participators or professional fundraisers

Plans for future periods

Woodbrook Vale is an 11 to 16 Academy. The school has expanded significantly since 2013, and now has 786 students on roll (October School Census, 2018). The school is currently oversubscribed and has operated a waiting list for the past five years. Figures received from Leicestershire County Council have recently confirmed that the projected Year 7 student number on roll for 2020 2021 is again above Woodbrook Vale's Published Admission Number (PAN). Numbers on roll are forecast to reach circa 800 in future years.

The Academy continues to show a balanced revenue budget which has been approved by the Staffing and Building Governors Committee. A surplus reserve in the region of £500k is projected for 2019/2020. The budget will be continually monitored and reported on each month throughout the financial year.

The Senior Leadership Team and governors meet regularly to ensure the Academy is in the best position to match funding (including Pupil Premium funding) to required resources and achieve value for money. Partnerships with other local schools are also being explored to carry out benchmarking activities and to secure benefits related to 'economies of scale'

Funds held as custodian

There are no funds held as Custodian Trustee on behalf of others.

Disclosure of information to auditor

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware, and
- that Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Auditor

The auditor, Mazars LLP, has indicated his willingness to continue in office. The designated Trustees will propose a motion reappointing the auditor at a meeting of the Trustees.

The Trustees' Report, incorporating a strategic report, was approved by order of the board of Trustees, as the company directors, on 10 December 2019 and signed on its behalf by:

GOVERNANCE STATEMENT

Scope of responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that Woodbrook Vale School has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of trustees has delegated the day to day responsibility to the Headteacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Woodbrook Vale School and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' report and in the Statement of Trustees' responsibilities. The board of trustees has formally met 6 times during the year.

Attendance during the year at meetings of the board of Trustees was as follows:

Trustee	Meetings attended	Out of a possible

Review of value for money

As accounting officer the headteacher has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

Improving educational results:

- Excellent tracking systems record all aspects of pupil progress throughout the school and ensure that interventions and support are targeted to achieve best value.
- Targeted support for pupils in need of intervention in key curriculum areas such as one to one tuition and small group teaching.
- Regular review of the staffing structures to ensure staff are efficiently deployed, are appropriately qualified and are specialists in their area.

Ensuring robust governance and oversight of finances:

- The Governing Body acknowledge overall responsibility for ensuring an effective and appropriate system of financial control. The system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability.
- The Governing Body ensure that comprehensive budgeting and monitoring systems exist and approve the annual budget.
- The Governing Body have appointed External and Internal Auditors to provide the necessary assurances on internal controls.
- In our recent Section 8 Ofsted Inspection (February 2019), Leadership and Management were classified as 'Good'.

GOVERNANCE STATEMENT (CONTINUED)

Review of value for money (continued)

Ensuring value for money purchasing and use of resources:

- Promoting fair competition through quotations and tenders in accordance with our financial policies, to ensure that goods and services are secured in the most economical way.
- Regular review of contracts with service providers to ensure they are fit for purpose and provide best value.
- Reducing our energy costs through effective management of the site and ensuring that new buildings are energy efficient.

Improving Income generation:

- Regular review of surplus funds to ensure the best rate of interest is achieved.
- Exploring opportunities to generate income through the increased hire of the site.

Reviewing Controls and managing risk:

- Undertaking financial risk assessments based on the potential keys risks and ensuring the key controls are in place to reduce the risks.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Woodbrook Vale School for the year 1 September 2018 to 31 August 2019 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The board of trustees has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks, that has been in place for the year 1 September 2018 to 31 August 2019 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

GOVERNANCE STATEMENT (CONTINUED)

The risk and control framework

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of Trustees
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- delegation of authority and segregation of duties
- identification and management of risks

The board of trustees has considered the need for a specific internal audit function and has decided to appoint independent internal auditors.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the academy's financial systems. In particular the checks carried out in the current period included:

- testing of internal controls systems and finance office procedures
- testing of the new catering systems
- testing of control account/bank reconciliations

On a semi annual basis, the internal auditor reports to the board of trustees through the audit committee on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities.

The internal auditor has delivered their schedule of work as planned.

Review of effectiveness

As Accounting Officer, the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditor;
- the financial management and governance self-assessment process;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

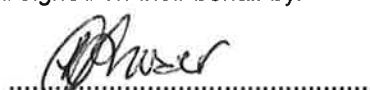

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Staff, Finance and Buildings Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As Accounting Officer of Woodbrook Vale School I have considered my responsibility to notify the Academy Trust board of Trustees and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the Academy Trust, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2018.

I confirm that I and the Academy Trust board of Trustees are able to identify any material irregular or improper use of all funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academies Financial Handbook 2018.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of Trustees and ESFA.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2019

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education & Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2015 and the Academies Accounts Direction 2018 to 2019;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
WOODBROOK VALE SCHOOL**

Opinion

We have audited the financial statements of Woodbrook Vale School (the 'academy trust') for the year ended 31 August 2019 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, the Academies Accounts Direction 2018 to 2019 issued by the Education & Skills Funding Agency and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2019 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2015 and Academies Accounts Direction 2018 to 2019.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

The impact of uncertainties due to Britain exiting the European Union on our audit

The Trustees' view on the impact of Brexit is disclosed on page 9.

The terms on which the United Kingdom may withdraw from the European Union are not clear, and it is therefore not currently possible to evaluate all the potential implications to the Academy Trust's operations, service users, suppliers and the wider economy.

We considered the impact of Brexit on the Academy Trust as part of our audit procedures, applying a standard firm wide approach in response to the uncertainty associated with the Academy Trust's future prospects and performance.

However, no audit should be expected to predict the unknowable factors or all possible implications for the Academy Trust and this is particularly the case in relation to Brexit.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Academy Trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement set out on page 16, the Trustees (who are also the directors of the Academy Trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy Trust or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

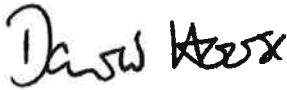

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO
WOODBROOK VALE SCHOOL AND THE EDUCATION & SKILLS FUNDING AGENCY**

In accordance with the terms of our engagement letter dated 30 August 2019 and further to the requirements of the Education & Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2018 to 2019, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Woodbrook Vale School during the year 1 September 2018 to 31 August 2019 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Woodbrook Vale School and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Woodbrook Vale School and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Woodbrook Vale School and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Woodbrook Vale School's Accounting Officer and the reporting accountant

The Accounting Officer is responsible, under the requirements of Woodbrook Vale School's funding agreement with the Secretary of State for Education dated 1 September 2011 and the Academies Financial Handbook, extant from 1 September 2018, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2018 to 2019. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2018 to 31 August 2019 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2018 to 2019 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- Planning our assurance procedures including identifying key risks;
- Carrying out sample testing on controls;
- Carrying out substantive testing including analytical review; and
- Concluding on procedures carried out.

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2018 to 31 August 2019 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2019

1. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2018 to 2019 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2019

1. Accounting policies (continued)

1.3 Income

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

- **Grants**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

- **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

- **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Academy Trust has provided the goods or services.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Expenditure on raising funds**

This includes all expenditure incurred by the Academy Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2019

1. Accounting policies (continued)

1.4 Expenditure (continued)

• Charitable activities

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

1.5 Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.6 Tangible fixed assets

Assets costing £20,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Depreciation is provided on the following basis:

Leasehold property - Straight line over 30 - 50 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2019

1. Accounting policies (continued)

1.7 Liabilities

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.8 Provisions

Provisions are recognised when the Academy Trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.9 Financial instruments

The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 14. Prepayments are not financial instruments.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 15 and 16. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.10 Operating leases

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2019

1. Accounting policies (continued)

1.11 Pensions

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.12 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2019

2. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 22, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2019. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS or scheme) is a statutory, unfunded, defined benefit occupational scheme, governed by the Teachers' Pensions Regulations 2010 (as amended), and the Teachers' Pension Scheme Regulations 2014 (as amended). These regulations apply to teachers in schools and other educational establishments, including academies, in England and Wales that are maintained by local authorities. In addition, teachers in many independent and voluntary-aided schools and teachers and lecturers in some establishments of further and higher education may be eligible for membership. Membership is automatic for full-time teachers and lecturers and, from 1 January 2007, automatic too for teachers and lecturers in part-time employment following appointment or a change of contract. Teachers and lecturers are able to opt out of the TPS.

The Teachers' Pension Budgeting and Valuation Account

Although members may be employed by various bodies, their retirement and other pension benefits are set out in regulations made under the Superannuation Act (1972) and Public Service Pensions Act (2013) and are paid by public funds provided by Parliament. The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – contributions from members, along with those made by employers, are credited to the Exchequer under arrangements governed by the above Acts.

The Teachers' Pensions Regulations 2010 require an annual account, the Teachers' Pension Budgeting and Valuation Account, to be kept of receipts and expenditure (including the cost of pension increases). From 1 April 2001, the Account has been credited with a real rate of return, which is equivalent to assuming that the balance in the Account is invested in notional investments that produce that real rate of return.

Valuation of the Teachers' Pension Scheme

The latest valuation of the Teachers' Pension Scheme has now taken place, in line with directions issued by HM Treasury and using membership data as at 31 March 2016. As a result of this valuation TPS employers will pay an increased contribution rate of 23.68% from September 2019 (this includes the administration levy of 0.08%). The timing of the implementation is to align its introduction with employers' budget planning cycles. Until then, employers will pay the current rate of 16.48%.

Scheme Changes

The arrangements for a reformed Teachers' Pension Scheme, in line with the recommendations made by Lord Hutton, in particular the introduction of a Career Average Revalued Earnings (CARE) scheme, were implemented from 1 April 2015.

In December 2018, the Court of Appeal held that transitional protection provisions contained in the reformed judicial and firefighter pension schemes, introduced as part of public service pension reforms in 2015, gave rise to direct age discrimination and were therefore unlawful. The Supreme Court, in a decision made in June 2019, have rejected the Government's application for permission to appeal the Court of Appeal's ruling. The case will now be referred to an Employment Tribunal for a decision regarding the remedy which will need to be offered to those members of the two schemes who were subject of the age discrimination.

HM Treasury are clear that the ruling has implications for the other public service schemes, including the Teachers' Pension Scheme. Those implications are currently being considered and any impact on scheme costs is expected to be looked at within the next scheme valuation, which is currently scheduled to be based on April 2020 data and implemented in April 2023.

The employer's pension costs paid to TPS in the period amounted to £296,000 (2018: £263,000).

A copy of the valuation report and supporting documentation is on the [Teachers' Pensions website](#).

Under the definitions set out in FRS 102, the TPS is a multi employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee administered funds. The total contribution made for the year ended 31 August 2019 was £206,000 (2018: £188,000), of which employer's contributions totalled £165,000 (2018: £150,000) and employees' contributions totalled £41,000 (2018: £38,000). The agreed contribution rates for future years are 25.3% for employers and 5.5% to 8.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

On 26 October 2019, the High Court handed down a judgement involving the Lloyds Banking Group's defined benefit pension schemes. The judgement concluded the schemes should be amended to equalise pension benefits for men and women in relation to guaranteed minimum pension benefits, ('GMP'). The Government will need to consider this outcome in conjunction with the Government's recent consultation on GMP indexation in public sector schemes before concluding on any changes required to LGPS schemes.

25. Related party transactions

Owing to the nature of the academy trust and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the AFH, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the academy trust's financial regulations and normal procurement procedures relating to connected and related party transactions. The following related party transactions took place in the financial period.

Trustees' remuneration and expenses are already disclosed in note 11.

The following related party transaction took place in the period of account.

Remuneration paid to close family members of Trustees and key management personnel, inclusive of pension contributions, totalled £11,349 (2018: £12,006).
