We are looking to appoint an enthusiastic and positive-minded individual to join the team of behaviour and wellbeing support workers who run our new Alternative Learning Zone here at Woodbrook Vale. The successful candidate will preferably have experience of working in a secondary school or youth work environment, or perhaps in a special educational needs setting. They might however be early in their career and have a desire to work in this field, in which case training is available. Duties will include: supporting small group learning sessions, becoming a key adult for a small number of students; maintaining records and liaising with colleagues within school and occasionally outside school.

Woodbrook Vale School is a popular and highly successful 11-16 single academy trust located within the university town of Loughborough. The school ethos reflects both a supportive learning environment and our commitment to giving every student an ambition to succeed. We are proud of our innovative approach to teaching and learning, including Quality First Teaching and provision for students with SEND. We have excellent facilities and have invested heavily in our buildings and infrastructure over recent years to create a highly attractive school site with an array of resources.

Our organisation is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. This position is subject to an enhanced Disclosure and Barring Service check.
