05 October 2023

Dear Parent/Carer

Duke of Edinburgh Bronze Award

Your son/daughter has expressed an interest in completing the Duke of Edinburgh Bronze Award at Woodbrook Vale School.

About the DofE

The DofE is non-competitive and open to all young people – it's about setting personal challenges and pushing personal boundaries. There are three levels of DofE programme which, when successfully completed, lead to a Bronze, Silver or Gold Award.

Through their DofE, students will make friends and memories and build traits like confidence, resilience and self-esteem, which can benefit mental health. They'll gain skills and attributes for work and life, like problem-solving, team-working and self-motivation – and they'll achieve an Award that's recognised by top employers and can help them stand out when applying for university or jobs.

To achieve their Bronze Award, participants must complete four sections: Skills, Volunteering, Physical and their Expedition.

Every young person's DofE programme is personal to them – they can choose what they'd like to do for their Skills, Volunteering and Physical sections, and most activities can count. We will provide guidance and support, and students can either choose to continue an activity they already do or discover something completely new.

Activities for each section take a minimum of one hour a week over a set period of time, so they can fit around studying, hobbies and social lives. For more details about programmes and timescales visit DofE.org/do.

About the expedition

The expedition section involves your child working as part of a small team to plan their expedition's aim, choose a location and do some training to make sure they're fully prepared – before spending two days and one night in the countryside.

Ahead of this, they will take part in school based training covering basic expedition principles and introducing them to expedition equipment.

There will also be a number of training sessions after school next year in which your child and their group will plan their route and prepare. Participants will only be able to do their expedition if they attend the organised training.

The expedition will take place during the summer term of 2024 and details about pre-expedition training will follow.

Registered Office:
Woodbrook Vale School, Grasmere Road, Loughborough, Leicestershire, LE11 2ST
Company Registration No: 7671486

Applications

In order to ensure students are committed to taking on additional responsibilities, I ask that students complete and submit a DofE programme planner before they begin their Bronze Award. This is attached to the back of this letter. Parental permission will be needed for each child's application. Please follow the link below to give consent for your child to apply for their DofE Bronze Award.

<https://forms.gle/zzzq1Wr1ehQ7FVTx5>

The programme planner and consent need to be completed and submitted by Friday 13 October 2023. Students will be required to hand in the programme planner to Mr Matthews.

Should your child be successful in their application there will be an **initial registration fee of £25.50**. More information on how to pay this will be sent out at a later date. This will allow your child to begin their volunteering, skills and physical sections. Students are expected to have completed at least one section in order to be offered a place on the expedition. Once an expedition date has been set we will then communicate this information along with the additional costs involved. **The full cost of completing the Bronze award will be approximately £180 (inclusive of the initial registration fee)**; however, this will be confirmed and charged at a later date. Financial support with the cost may be available, please contact the school if you would like to discuss this further.

If you would like any further information in the meantime, please feel free to contact me.

Yours faithfully

Mr D Matthews
