1 November 2024

Dear Parent/Carer

Year 11 mock exams will take place from **Thursday 28 November to Tuesday 17 December 2024 (inclusive)**. A generic mock timetable is below along with a full list of the key dates for Year 11 students. All students will receive an individual mock exam timetable, which will include their exam rooms. Most exams take place in the Sports Hall although some other rooms are also used.

The mocks are a key part of preparation for the real exams next summer. From experience, the military mantra of “train hard, fight easy” sums up the feedback from previous students. Working hard for the mock exams means the exams next summer are a lot more comfortable. We would encourage students to prepare for the upcoming exams by reviewing and revising their work as thoroughly as possible using a range of revision techniques such as posters, flashcards, practice questions, revision videos etc. Teachers can help advise on the content of each paper, if required, although most staff already use Google Classroom to share appropriate revision content.

Yours sincerely

Paul Hynes
Deputy Headteacher
