Dear Parent/Carer

Residential Trips 2025

It is fantastic to see the level of interest in the residential trips for our current Year 8 and 9s. You will remember we previously stated that should the trips be oversubscribed, students' names would be chosen at random. We can now see however, that some students have applied for more than one trip and a randomiser may not be entirely fair for all the trips.

Please note therefore, that we have decided to prioritise the older students for the Ski trip 2026 by allocating it to students who will be in Year 10 at the time of travel. We can then aim to try and be fair by giving anyone who is not picked out for the French Trip in Year 8, a higher chance for the Poland trip in Year 9. The original Year 8 applicants for the Ski trip 2026 will also have a higher chance of a place on the Ski Trip 2027.

See Timeline Below

I trust that you will understand our reasoning for this and hope your child is able to attend one of the residential. Please remember once payments have been made by us to confirm the booking, we will be unable to make any refunds unless another student takes the place. If anyone has not got a place on the trip of their choice, the full deposit will be returned.

We will be in touch with trip allocations, information and payment deadlines for all trips shortly. If you have any questions, please do not hesitate to get in touch with the office.

Yours faithfully

Mr P Hayes
Deputy Headteacher
