WORK EXPERIENCE WEEK

Woodbrook Vale congratulate our Year 10 students as they return from work experience week – it has been a fantastic opportunity to step beyond the classroom and gain valuable insight into the world of work. Placements took place across a wide range of industries, including healthcare, engineering, education, retail, hospitality, construction, business, and the creative arts. Throughout the week, students were able to develop vital employability skills and also to experience first-hand what it is like to be part of a workplace, building confidence and learning from experienced professionals.

At the end of the week, 87% of students said they felt more prepared for the workplace and 81% felt the experience has helped them with their careers aspirations, for example

“It has made me consider a career in quantity surveying. Also, it has opened my eyes to what different jobs are out there.”

The feedback from employers has been overwhelmingly positive, with many commenting on our students' enthusiasm, maturity, and willingness to learn. Students returned with increased confidence, new skills, and a greater understanding of the career pathways available to them.

Well done to all of our students for representing the school so positively. We are incredibly proud of the commitment and professionalism they demonstrated throughout the week, and we hope this experience inspires them as they continue to explore their future ambitions.

We would like to extend our sincere thanks to all the local businesses and organisations that generously hosted our students and provided such meaningful experiences. Their support plays a vital role in helping young people prepare for their future careers.

EMPLOYER COMMENTS

KH Hair

Throughout Raneem's placement with us at KH Hair Loughborough, she has been an absolute credit to your school. She has worked really hard, used her initiative and been professional, kind and attentive the whole time she's been with us.

Westwards Nursery

It has been lovely having Lottie with us for the week. She has been a pleasure to have and this has also been communicated to me by the members of staff within the nursery.

Momentum Instore

All departments that worked with Charlie were very impressed with his attitude towards work and his ability to complete tasks given.
