PE Uniform

Dear Parent /Carer

We receive many positive comments from visitors about how smart our students look and how well they represent our school. We appreciate the support that parents are able to provide in maintaining these high standards. PE kit forms an important part of the school uniform and needs to replicate the high standards of full school uniform.

In response to the positive feedback we have received about PE kit on PE days, we have decided to formalise this arrangement for the whole of next year. We would therefore like, to clarify our expectations regarding PE kit as follows:

- Embroidered PE polo shirt
- Embroidered PE hoodie (now compulsory)
- **Black** tracksuit bottoms, **black** shorts or **black** sports leggings.
- Trainers suitable for sport (not necessarily black)

These are the only items that will be accepted and we expect all students to adhere to this.

Students may also be asked to bring a change of footwear depending on the location of their lesson or the type of activity they are participating in (e.g playing on a muddy field).

Over the next few weeks many parents will take the opportunity to purchase new uniform and equipment. This letter is a courtesy to ensure correct items are purchased. We trust we will have your full support.

Compulsory items (PE hoodie and PE polo shirt) should be purchased through the school website. These items have been custom made for Woodbrook Vale and are embossed with the school logo. **Items should be ordered online by Friday 23rd July 2021 to guarantee delivery to your home address before the end of the summer holidays.** If your child is entitled to pupil premium, we may be able to support you with uniform purchases, if you require support, please contact office@wbvs.co.uk.

Yours faithfully

Ian Smith
Head of PE
